

Charges

The charges and commissions are used to cover the operating costs of the Compartment, including the costs of marketing and distributing Compartment shares. These costs reduce the potential growth of investments.

One-off charges taken before or after you invest	
Entry charge	None
Exit charge	None
The percentage shown is the maximum amount that can be paid out of your investment. Your financial advisor or distributor can inform you of the associated entry and exit charges.	
Charges taken from the Fund over a year	
Ongoing charges	2.09%
Charges taken from the Fund under specific conditions	
Performance charge	0.00% for the Fund's last financial year
10% of the net asset value multiplied by the algebraic difference between the change in stock value and the change in value of the CAC MID & SMALL NR index.	

The entry and exit charges shown are maximum rates. In certain cases, the charges paid may be lower.

The percentage of ongoing charges is based on those of the previous financial year, ended 31 December 2018. This percentage may vary from year to year. It excludes performance charges and transaction charges, with the exception of entry and exit charges paid by the Compartment when it buys or sells shares of another Fund.

For more information on Compartment fees, please consult Chapter XII entitled "Costs and Remuneration" of the Fund's prospectus, which is available on the following website: www.independance-et-expansion.com, or by email to stanwahr@pt.lu.
